## **Make arrangements for transportation throughout Japan as well as plans for local activities all in one go!**

You made arrangements for their plane ticket and hotel, but you can't find any arrangements for local activities or transportation to get around Japan.

Or perhaps you can't find rental cars for all the most popular dates because there are none available..

Recently, you've had requests for a really popular activity or event in Japan, but you don't know how to make the arrangements.

Have you ever faced difficulties like these?

With "Travel agents", you will be able to handle travel services (such as transportation methods and on-site experiences) distributed by around 1,500 companies nationwide all at once!

With "Web Interface" there are no system fees, and you will be able to eliminate the hassle of development! You could have Travel agents integrated into your system by tomorrow.

As a result, Travel agents massively reduces the time and cost associated with gaining contractors, and you will be able to focus on developing your products and expanding your customer base.
